Bethany Church, fourth last week, moved into third place with 581,325 votes. In fourth place is the City of Hope with 568,892 votes, followed by the Ascension Church and the British Home in California.

Decision on Sears Brings Protests From Both Sides

Library Shows Relics of Wars Since 1776

Relics of Revolutionary times have been added to the Historical Society's case exhibit of souvenirs from 1776 through the Korean War, currently showing at the Library.

Mrs. Etta Dickson contributed a huge padlock and key from a Revolutionary gaol and a flintlock musket used by an ancestor in the War of 1812. The padlock and key were brought to California in 1887 by her parents, Mr. and Mrs. J. C. Dickson.

Among the many Civil War souvenirs are reproductions of letters written by a Union soldier during the Civil War, contributed by Col. Charles Morrison, whose ancestors have served in wars since 1776.

Also included are letters from Charles Sawyer, a soldier who took part in Sherman's march to the sea, and a picture of the writer taken in Savannah, Ga., during the occupation of that city in 1865.

The letters and picture were loaned by Col. Charles R. Gildart, grandson of Sawyer, together with a Civil War cavalry saber.

Among other relics of Civil War times are a large broad-bladed, hand-forged knife dubbed an "Arkansas Toothpick" by frontiersmen of the era and loaned by Mrs. Dorothy Shearing.

Also included are two Civil War powder pouches and a powder belt contributed by Mrs. Maybelle Caley Barker.

In the auxiliary floor case are relics loaned by Sumner Nash, 10-year-old Sierra Madrean whose hobby is collecting war relics and the study of their historical significance.

Among more recent exhibits is the blue ribbon of the Congressional Medal of Honor shown against the portrait of its winner, Sgt. John Vanlensal of 177 N. Adams St., with an accompanying array of other medals and awards.

In the permanent case is a handmade and bound book created by Marvin Weese, Sierra Madre artist, in which is inscribed the names of local persons who have served in wartime and those who have died in the service. The exhibit will continue through August and September, according to Mrs. Edith Pictor Nelson, curator.

Hiestand Helps Cupid in Capital

Rep. Edgar W. Hiestand, 21st District Republican, took time out from his Congressional chores recently to help one of his constituents get married.

Mr. Hiestand received an urgent call from Ralph O. Grassmuck of Pasadena who was planning to wed in Washington but lacked a best man.

The congressman dashed out between roll calls to the Foundry Methodist Church, where he served as best man while Mr. Grassmuck and Mrs. Forrest Martell of Washington recited vows. The Senate chaplain, Dr. Frederick Brown Harris, performed the ceremony.

Mr. and Mrs. Grassmuck will live at 1127 W. Foothill Blvd., Arcadia.

Freeland Resigns Post Here

Al Freeland, veteran water superintendent here, this week resigned to take a similar post with the Beaumont Irrigation District, Beaumont, Calif.

City Administrator Lawrence C. Bevington accepted the resignation "with a feeling of regret."

Mr. Freeland, he said, "is to be congratulated on the advancement" which the new post offers.

The outgoing superintendent joined the water department here on March 19, 1928, as a night pump operator. Over the years he rose through the ranks as day pump operator, meter man, foreman, assistant superintendent and, finally, superintendent.

His resignation is effective Aug. 15.

The matter will come up before the City Council at its Aug. 14 meeting, but Mr. Bevington said the Council "will require some period of time to study the needs of the department and the present personnel and to make any decisions concerning appointment of a water superintendent."

Until a new superintendent is appointed, the functions of the post will be in the hands of the city administrator.

Mr. Bevington also said that Bill Noel will "continue to function as the contact between the water department and the city administrator" and has authority to make purchases and other decisions necessary to smooth operation of the department.

Theater Here Sold; Opens Tomorrow

The Sierra Madre Theater will open under new management Friday, the new owner, W. E. Blunt, announced yesterday.

Mr. Blunt, who leased the theater from Harold Stein, is now remodeling the lobby and plans to renovate the entire structure.

The theater will be patrolled at all times, Mr. Blunt said, and "rowdiness and vandalism will not be tolerated." He added that every effort will be made to assure a quiet, comfortable theater.

A special kiddies' matinee is planned for each Saturday at 11 a.m. No adults will be admitted to these matinees unless they accompany and sit with their children. The aisles will be patrolled at all times.

Mr. Blunt, who operates another theater in Glendora, lives at 2167 Peck Rd., Monrovia.

Local Residents To Get CD Book

Sierra Madre householders soon will receive in the mail a booklet entitled "Home Protection Exercises," designed to acquaint families with Civil Defense measures in the home.

The booklet, complete with cartoons and diagrams, was put out by Sierra Madre Civil Defense at City Hall. It describes emergency action to be taken in the event of a raid and precautionary measures to prepare for such emergency.

Appeals From Store, Residents Indicated

Both sides this week indicated they will appeal the Pasadena Planning Commission's decision to allow a Sears, Roebuck & Co. development at Foothill Blvd. and Michillinda Ave.

William B. Etheridge, attorney for Hastings Ranch area residents who oppose the development, said he will file an appeal with the Pasadena Board of Directors.

And a spokesman for Sears, although pointing out that the company had not yet received the official decision from the commission, indicated they would appeal.

THE PLANNING Commission, in approving the store location by a 4-2 vote, attached some 16 conditions, chief among which were: (1) requirement of a park-type buffer zone along three sides of the property, and (2) the closing of Michillinda Ave. to traffic ingress and egress.

"Until we know exactly what is involved it would be impossible to say what our action will be," said Don LaMotte, manager of Pasadena's Sears store.

"However, on the basis of our present information, it would seem that if all the conditions were met, it would make it extremely difficult, if not impossible, to develop this property to adequately serve our customers in Pasadena and the surrounding area."

"FOR EXAMPLE, the amount of space that would be taken from badly-needed parking and the limitation imposed on traffic movement are unusually restrictive and from observation seem to be far in excess of precedent."

"Consequently, if this property is to be developed, our only course of action would be an appeal."

The Sears store, hotly contested by Hastings Ranch residents and those of neighboring Arcadia, would be located on a 594-foot-deep strip along Foothill and bounded by Rosemead, Michillinda, and the property lines of residents along Mayfair Road, Hastings Ranch.

HASTINGS RESIDENTS had asked that a buffer zone of

R-3 property be created along the property's northern boundary. Arcadia residents had sought to retain the present R-1 zoning of the 150-foot strip bordering on Michillinda.

Under the commission's decision, 10-foot buffer strips of planted areas would be required along Foothill and the northern property line, while a 75-foot planted area would serve as a buffer on Michillinda.

Sears, on the other hand, had requested an entrance on Michillinda, which would be denied under the planners' decision.

Two-Week Day Camp Set Monday

An Embree bus will pick up Sierra Madre boys and girls for the day camp in Sierra Madre Villa Park starting at 6:30 a.m. Monday, the City Recreation Department announced yesterday.

The bus will begin its pickup at Sierra Madre Blvd. and Michillinda, then proceed north to Grand View, east to Canon, south to Sierra Madre Blvd. and then to the day camp. The bus will pick up campers at each intersection each Monday through Friday for the next two weeks.

The bus will return at noon, arriving at Sierra Madre Blvd. and Michillinda at approximately 12:15 p.m. Each camper should bring a plate, knife and fork, swim suit and towel. Non-swimmers should bring red bathing caps. No food should be brought, and the suggested camp dress is tennis shoes and jeans.

Regional Art, Book Display Set Here

Walt Perigoy, young painter of regional renown, will share August honors at the Sierra Madre Library Gallery with 24 paperback books that could help change the face of the world. Public open house for the new exhibits is Sunday, August 5, from 2 until 5 p.m.

Perigoy is a product of the California College of Arts and Crafts, Chouinard Institute and San Miguel de Allende in Mexico. He also studied with Fernand Leger in Paris. He has shown in the Corcoran Gallery, Library of Congress, Los Angeles and Pasadena Museums. His oils and drawings will be at the gallery through August.

In the exhibit cases, Arabic, Persian and Urdu books will spread their delicate, provokingly-designed covers and the hope of their publishers: "to stimulate interest in and promote the freedom, dignity and welfare of mankind."

FRANKLIN PUBLICATIONS, a non-profit organization, is dedicated to publishing American books in foreign countries in the languages of their lands. Its board of directors includes publishers and non-publishers, representatives of the public interest.

In 1953 Cairo was chosen for the original venture. Arab authors, educators, publishers and religious leaders combined to choose books most helpful in showing hopes, character, manner of living and thinking of the

American people. The books were then edited, translated and published in Cairo.

Since then, offices have been established in Teheran, Lahore, Dacca and Jakarta, Indonesia. And a million copies of 160 American titles have been printed and distributed in six tongues, the languages of 250 million human beings.

In the cause of peace through cultural exchange, Franklin suggests that culture is not necessarily esoteric. In Teheran several chapters of Dr. Spock's "Baby and Child Care" were read over the air from a translation made by the Shah's sister, Princess Ashraf.

Other titles include Frederick L. Allen's "The Big Change," Will Durant's "Pleasures of Philosophy," Washington Irving's "The Alhambra," George Soules' "Ideas of Great Economists," and Thornton Wilder's "Bridge of San Luis Rey."

The provocative cover designs were chosen in a competition sponsored in Cairo by the Institute of Applied Design. Prize winners were first shown in Cairo's Museum of Modern Art.

MIXED QUARTET which will be heard tomorrow night in Sierra Madre City Park with the Pomona Community Band is composed, from left, of Virgil Harris, Mrs. Stanton Selby, Mrs. Ina Mae Shryer and Paul Prout.

In the third of a series of exchange concerts, Stanton Selby again brings the 70-piece Pomona Community Band to Sierra Madre Park for a varied program, tomorrow evening. Music begins at 8 o'clock.

Selby is head of the Mt. San Antonio College department of instrumental music. Special features include music by a Dixieland unit and polkas by "The Bavari-

an Um-Pahs." Instrumental soloist is Gary Robinson, playing a modernized version of "Come Back to Sorrento" on the trumpet.

Community singing and a mixed quartet will add vocal features to the program. Helen Selby, Ina Mae Shryer, Paul Prout, and Virgil Harris will present selections from Victor Herbert operettas. The quartet has ap-

peared in Ramona Bowl, and the college of music and arts at Idyllwild.

Included in selections by the band are several marches, "Men of Ohio," "Cheerio," "Barnum and Bailey Favorites," and "The February 3 March."

The Sierra Madre Band will appear in Ganesha Park, Pomona, the preceding evening. Walter Laursen directs the group.

THESE UNUSUAL BOOKS, part of a display which will be featured at the Sierra Madre Public Library during August, were loaned by Franklin Publications, a non-profit organization dedicated to publishing American books in foreign countries in the language of their lands. The books were edited, translated and published in Cairo and are written in the Arabic, Persian and Urdu languages. The one at right shows a drawing of Benjamin Franklin.

Churchill the Historian

In the twilight of a lifetime already crowned with enough genuine achievement for 10 great men, Sir Winston Churchill now emerges as a historian. And, as in all his endeavors, he is a historian on a heroic scale, choosing to chronicle nothing less than "A History of the English-Speaking Peoples."

The first book, entitled "Birth of Britain," lives up to what one expects from Churchill.

It is forthright, bold and written with strength. Not for him the quibbles of more cautious historians. He wades right in, for instance, with unquenchable romanticism, on the shadowy figure of King Arthur.

"There looms, large, uncertain, dim but glittering, the legend of King Arthur and the Knights of the Round Table," he says. Then, after a scathing denunciation of timid chroniclers who refuse to believe what is not precisely pinned down on the pages of time, he announces: "It is all true, or it ought to be; and more and better besides."

Furthermore, "let us then declare that King Arthur and his noble knights, guarding the Sacred Flame of Christianity and the theme of a world order, sustained by valour, physical strength, and good horses and armour, slaughtered innumerable hosts of foul barbarians and set decent folk an example for all time."

Many scholars have written more authoritative histories of England, but none has written one more interesting. It is the brilliant, evocative Churchillian prose which will find for his book many times more readers than those of more scholarly historians.

At times it is graceful, as in the following passage: "Shakespeare, whose magic finger touches in succession most of the peaks of English history so that all can see them standing out above the mountainous disorder, has brought Hubert to our ken." (Referring to Hubert de Burgh, the rock upon which stood the kingdom of the infant Henry III.)

In other situations, it is brutal, as in his description of the mad King Henry VI: "His body gaped and drivelled over the bristling realm."

It also can be stirring, and sentimental, as in his summing up of Joan of Arc after recounting the tragic circumstances of her flaming death at the hands of the English:

"She embodied the natural goodness and valour of the human race in unexampled perfection. Unconquerable courage, infinite compassion, the virtue of the simple, the wisdom of the just shone forth in her."

Churchill's chronicle will never be a reference tome, but it will bring history alive for countless readers. And judging from comparison with several other English histories I have read, its readability has not been achieved at the cost of integrity.

Chalk up another one for Winnie.—W.F.T.

Around the Square

By Marjorie Clum Parker

If he hadn't been such an elegant grandfather, the Hall of Fame aura circling around John P. Clum might get a touch dim for his grandchild.

There's the founding of the Tombstone "Epitaph"; the affair of the Earps and Clantons in the O. K. Corral; the Klondike gold rush—and now the national premiere Aug. 1 of "Walk the Proud Land," which Universal-International is releasing.

This is the story of John Clum's early years as Indian Agent over 6,000 Apaches plus Geronimo. And these were the years he was 23 when assigned the post, fresh from Rutgers that probably formed, for the rest of his life, his attitudes and actions toward his fellow men.

WITH SOME trepidation, the Clum family gathered for the private study showing of the film Monday. Because the story dealt with Indians, would they maybe film it in India?

Would they hand grandfather a Springfield rifle and forget the Dutch Reformed Church? And what about grandmother? She was, after all, grandmother.

Relax, friends. The picture's good. It was shot in color in the barren, beautiful country where the story took place, San Carlos reservation in Arizona. The film is CinemaScope and the scenery is magnificent.

Audie Murphy plays John Clum and he's quietly humorous, quite acceptable. Grandmother is snappy (she was) and so is the young Apache widow whom no one ever heard about except the script writer.

BUT THE BEST part of the filming is that the writers actually have heeded to the line of idealism and courage that made those years and that man important in the history of our country's relationship with the Indians.

Grandfather stood up like a cockerel before annoyed territorial officials and hostile U.S. military forces. He said the Apaches were human beings (conceive of such heresy!) and that they could live productively and peacefully under self-government.

Going to Be a Good Scrap

Lee Shippey asks
What Do You Think?

Rock-and-roll is, or are, among the things of which I am serenely ignorant. But the other day I heard the creator of rock-and-roll records interviewed, on radio, and it was said his records sell by millions.

As a sample, his latest hit was played. It was an ordinary mushy mess leaning heavily on the far from original assertion that just being together brought "Heaven on Earth to You and I."

Now that nearly all achievement is rated by its dollar value, why bother to study grammar, when apparent ignorance of it is no handicap?

IT IS ANNOUNCED that the population of Los Angeles County has increased so much that many new on-sale liquor licenses—more than 3,000, I believe—can be granted. That's what might be called a "staggering" number.

NO MATTER how big the population gets, the issuance of on-sale liquor licenses should be governed by the public interest. San Diego County has indicted more violators of the liquor laws than has any other county. I think, and the main reason was that a lot of good citizens there felt that unnecessary licenses were being granted despite the protests of a majority of the people.

It was argued that if sufficient signers were secured for petitions the licenses must be granted. But the

fundamental of democracy is that the majority shall rule.

CALHOUN, convicted of putting the bite on saloon keepers for Bonelli's campaign funds, has been sentenced to jail—but Bonelli still is a free man in Arizona, with plenty of money to bring up legal obstacles to extradition.

But money alone is not enough. While a liquor control czar, Bonelli made so many friends in high places that after being a Republican leader for 30 years he was able to change parties and win nomination on the Democratic ticket, though he did not win in the November election.

Now if any Sierra Madrean were under indictment he couldn't skip over to Arizona and buy a ranch and thumb his nose at extradition.

One can't resist the suspicion that no determined effort to bring Bonelli back has been made—and one can't help wondering if that is because too many persons in high places fear what might come out if he were brought back.

THE FINE ART of manipulation is so prevalent in political circles that maybe even Mr. Stassen's "bombshell" was all planned in advance. Rarely do such things just happen. If they haven't been planned they often result in decapitations—which haven't happened.

OUT OF THE COBWEBS

49 YEARS AGO THIS WEEK, Aug. 2, 1907—Misses Hilda and Maybelle Caley are enjoying the hospitality of cousins from Topeka, Kan., who are temporarily in Los Angeles. They will return home the first of the week.

Mrs. M. C. Brownson and children and Miss M. C. Brandt left Tuesday for an outing of a few weeks at Winter's Creek, up Sturtevant Trail.

M. Olson and daughter, Olga, are expected home this week from their visit to British Columbia.

20 YEARS AGO THIS WEEK, July 31, 1936—Mr. and Mrs. Ray Gomes, of the Roberta Frock Shop, left Tuesday for a month's vacation. They plan to motor to New Mexico, Colorado and Wyoming.

The downtown district was all upset when Officer James Heasley responded in a hurry as the burglar alarm at the Sierra Madre Savings Bank sounded a few minutes before 8 o'clock Saturday night. Investigation disclosed that the bank janitor had accidentally rubbed one of the alarm switches with his shoulder.

W. P. Caley of Ramona Ave., who has been confined to his home for two weeks with septic poisoning, is showing some progress and

expects to be about again soon.

10 YEARS AGO THIS WEEK, Aug. 1, 1946—Roger John and Jules Abbe Keith, twin baby sons of Mr. and Mrs. William Keith of 381 Mariposa, will be brought home this weekend from Queen of Angels Hospital in Los Angeles, where they were born prematurely on July 1.

Marie Waterhouse, dental hygienist at Dr. Woehler's offices, with June Woehler Wright, left last night for Mexico City, where they will vacation.

5 YEARS AGO THIS WEEK, Aug. 2, 1951—The first diamond-back rattlesnake has been killed in Sierra Madre this year. Mrs. Besocke of 891 E. Grandview reported yesterday morning that the snake was killed by Bill McMillan on their property.

Fr. Harley G. Smith Jr. of Ascension Parish returned last Saturday from a two-week vacation at Big Bear Lake. Fr. Smith said he enjoyed the cool weather and the rain.

Around Washington

By EDGAR W. HIESTAND
Rep., 21st District

The recent debate on civil rights was one of the most heated I have heard in four years in Congress.

Temper flared often as Southern Democrats clashed with Northern New Dealers, while Republicans generally supported the President and defended the bill.

At times, however, the crossfire reached comedy proportions.

The bill proposed, among other things, to set up a separate attorney general under the Department of Justice to investigate complaints of alleged infringement of civil rights.

In comparison to civil rights bills that have died in other Congresses, this bill was mild. There were no anti-lynching, anti-polltax clauses, nor any mention of fair employment practices.

BUT IT WAS against the measure's generalities that Southerners focused most of their attacks. They contended that almost anything could be construed as endangering civil rights.

Rep. Martin Dies (D.-Tex.), one of the most conservative members in the House, argued that the bill threatened to upset all American liberties. He challenged the liberals by proposing an amendment which scratched much of the bill because it would have given the attorney general power to probe even "intentions to discriminate."

The Dies amendment backed the liberals into a corner. They were forced to support it. It carried unanimously.

The Southerners even staged what amounted to a filibuster—the first I have witnessed in the House, where filibusters aren't allowed—to try to prevent the bill from coming to a vote.

THEY DID IT cleverly. They opened the session by demanding a reading of the previous day's 7,500-word journal. (Ordinarily the journal is dispensed with in a matter of seconds.)

This demanded a rollcall which killed off more than half an hour. The journal wasn't read.

After two more quorum calls and another hour, leaders agreed on a day's truce to the delaying tactics.

But later the Southerners tried to heap amendments onto the bill in an effort to make it so unwieldy that no one would vote for it. Northerners joined in sponsoring some of these amendments.

THE PRESSURE grew more intense. Oratory dwelt on the American Revolution, the Constitution, Civil War, and the traditional sentiment of the South against the liberalism of the North. More than 100 five-minute speeches were given for and against the bill. Delaying amendments were more than 40.

Rep. John Dowdy (D.-Tex.) sought to add "age" as another matter for discrimination study. His rider was beaten.

Altogether these stalling tactics accomplished their purpose, because voting on the bill was put over until too late for the Senate to act.

Dear Sir:

As it was announced in your issue of The Sierra Madre News of July 19, the City Planning Commission will continue, on Aug. 9 (a week from today), the hearing on the application for a permit to construct a gasoline service station on the southeast corner of Sierra Madre Blvd. and Michillinda Ave., the Gateway to Sierra Madre.

In 1955, during the public hearings on the new Zoning Map for Sierra Madre, an attempt was made to get a C (commercial) zoning for that corner, which would have made a service station possible, but the attempt did not succeed.

Application was again made this year, jointly by Mr. Andrews and the General Petroleum Corporation, the would-be lessee, for a change of zone or a variance to permit the construction of a service station at the Andrews corner. This was the subject of a public hearing before the Planning Commission on June 14 and continued on July 12.

At the latter meeting the

a third guise: the so-called "Precise Plan." The Precise Plan simply means that drawings and specifications of the proposed service station have been submitted to the Planning Commission and that the applicants would have to conform to those specifications, if their application were to be granted.

The great number of protests against the service station at the corner, expressed by residents of all parts of Sierra Madre, by mail and personally, at the meetings of June 14, with not a single one in favor of the proposed station, apparently prompted the applicants to try the Precise Plan on July 12. Again, at the July 12 hearing, there was not a single voice in favor of it but many against it.

At the July 12 meeting the applicants were making the following points:

The fences to be erected between the proposed service station and the surrounding properties; the small size of the service station itself; the intentions of the owner of

the corner, Mr. Andrews, to maintain his home behind the proposed station; and finally the good name of the General Petroleum Corporation, the would-be lessee.

All these claims and intentions remind one of the story of the Little Lusty Maid With The Two Chaperons.

"Oh, she wants so much to sit at the corner!"

"Oh, she will have two chaperons!" (The old aunt behind her and Pegasus in front.)

"Oh, she will put on tight corsets and look little!"

We all know what happens to good intentions. The old aunt won't always be there to watch. Pegasus, however, will be there day and night, pointing rather than shielding. The Little Maid will develop all her charms, will mature and burst the corsets and overflow around them. Cars and big trucks will be calling upon her by day and will eventually be staying over night. Their noise and their smells will pester the neighborhood and disgrace the City.

Mr. and Mrs. Roland J. Brennan Jr. have returned from a Las Vegas honeymoon and are making their home at 99 Grove Lane.

The bride wore a white lace and net over satin ballerina length, long sleeved gown. Her shoulder length illusion veil fell from a tiara of seed pearls and rhinestones. She carried a bouquet of white orchids, sweet-peas and gardenias and a white Prayer Book.

Attending the bride were her sister-in-law, Mrs. G. Dwight Shultz, matron of honor, and Virginia Brennan, sister of the groom, Mrs. Steven Gaggero and Donna Broomfield, bridesmaids.

The matron of honor wore a pink frock and the bridesmaids wore blue dresses. All of the girls carried bouquets of pink carnations and delphinium.

JOAN AND GORDON MacDonald

Donald of 141 Colony Drive were entertaining Mr. and Mrs. Clifford R. Spangler at dinner at the San Clemente Beach Club the other evening (the Spanglers were celebrating their fourth wedding anniversary), when out in the surf the grunion began one of their yearly spawning runs.

Joan says most of the guests of the club promptly deserted the dining room (the MacDonald party included) and dashed out on the beach, tore off shoes and stockings, tucked up skirts or trousers and began running up and down the beach catching the shining silver hued fish.

You know the trick, wait till a wave breaks on the sand and then dash out and snatch up the wriggly, hard to hold fish and run back before the next wave breaks. Loads of fun but pretty wet going!

PRETTY JO-ANN Pennington and husband Bill of 170 Colony Drive are off to Lake Tahoe for a two week vacation. Jo-Ann's parents, Mr. and Mrs. J. W. Watson, own the entire resort of Emerald Bay, which is the only resort actually located on the lake. The Penningtons will stay at the home of Mr. and Mrs. Watson. Some people have all the luck!

MR. AND MRS. VICTOR Caldarelo of 120 S. Holdman are enjoying a visit from Vic's sister, Mrs. Orville Kratley, and her son Steven, who live in Independence, Mo. Thus far the visitors have seen Disneyland, Las Vegas, and Mt. Baldy.

A third son, Rodney Thomas, was born to Mr. and Mrs. Arthur J. Erickson, 230 W. Montecito, July 6 at St. Luke Hospital, weighing 6 pounds 5 ounces. The paternal grandparents are Mr. and Mrs. Theodore Erickson of Youngstown, Ohio. The other Erickson sons are Douglas, 7, and Randy, 4.

DEAF MAN PERFECTS Remarkable Hearing Aid NO CORD OR RECEIVER BUTTON

PEORIA, ILL. (Special)—H. A. Lyons, who himself has been hard of hearing for over 25 years, today announced the perfection of a miniature electronic hearing aid that is so small it is worn on one ear.

It weighs but a fraction of an ounce and can be slipped on and off easier than a pair of eye glasses. Wearer gets all-directional pick-up and normal use of telephone. There is no clothing interference, because it is worn at the ear, which is the natural way to hear. Uses no cord or receiver button anywhere, it is practically invisible. Mr. Lyons stated that, although it is powerful enough to fit the most severe hearing loss, it can also be adjusted for the millions of slightly hard of hearing who feel they are not deaf enough to bother with the more cumbersome aids.

It is suggested, if interested for yourself or a friend, to write to Mr. H. A. Lyons, 128 S. Monroe, Dept. D.R., Peoria, Illinois, and he will be glad to send information at no cost or obligation to you. Adv. D.R.

MR. AND MRS. CHARLES GELFAND

The Brentwood Country Club was the scene of the nuptial rites of Inez Margaret Roston, daughter of Mr. and Mrs. Rees Edward Roston of Westwood, and Charles Gelfand, son of Mr. and Mrs. David Gelfand, 486 W. Highland. Rabbi Alfred Wolfe officiated.

Shades of pink and white flowers were used in the decorations for the ceremonies and at the reception where 150 guests were in attendance.

The bride, given in marriage by her father, chose a white Chantilly lace and nylon tulle gown fashioned with a sweetheart neck and fitted bodice. The full bouffant skirt was beaded with pearls and fell into a chapel train. The tiered finger-tip illusion veil was held in place by a rhinestone coronet. She carried a cascade bouquet of white orchids, stephanotis and lilies of the valley.

The maid of honor, Peggy Ann Roston, sister of the bride, and the bridesmaids, Shanna Pearl and Judy Neisser, wore pink nylon tulle over taffeta frocks and carried white and pink colonial bouquets.

Sandy Gelfand, brother of the groom, was best man and the ushers were Dave Rosen and Charles Hamburger.

The bride's mother greeted guests in a silver brocade sheath dress.

The groom's mother was attired in a pale pink chiffon creation accented by an orchid corsage.

The bride attended University High School and UCLA, where she was a member of Sigma Delta Tau sorority.

The groom attended Pasadena High School, Pasadena

Following their honeymoon, the newly married couple plan to make their home in Los Angeles.

Electric cooking is fastest

Now! Bacon and Eggs in 3 1/2 minutes when you cook electrically!

TODAY, NOTHING COOKS FASTER than a modern electric range. Bacon and eggs in 3 1/2 minutes. Instant coffee in 60 seconds. Hot soup in 68 seconds. Fry, bake, broil or roast—electricity does it better.

THERE'S MORE: your kitchen is as much as 16° cooler. And cleaner. Pots and pans stay mirror-bright. Kitchen walls look fresh and new twice as long.

SOMEDAY YOU'LL COOK on a modern electric range. It's almost inevitable. But why postpone it? Edison rates are among the lowest in the country. What's more, Edison services your range free as long as you own it. (The only charge is for parts, when needed.)

IF YOU'RE STILL COOKING the old way, it's simply because you haven't seen the new '56 electric ranges at your appliance dealer's.

FOOTHILL-ROSEMEAD SHOPPING CENTER

Foothill Merchants Seek Rosemead Stop Light

Merchants in the new Foothill-Rosemead Shopping Center are circulating petitions urging the erection of a stop light at Rosemead and Hastings Ranch Dr., rear entrance to the new shopping center.

Several dozen residents of Hastings Ranch have signed the petition which will be presented to the State Highway Commission for action.

The subdivider who constructed the shopping center already has installed the wiring for the stop light. Crossing the busy intersection now is extremely hazardous and has prevented many residents of Hastings and Sierra Madre area from shopping in the new center, according to Foothill-Rosemead businessmen.

THE NEW CENTER, as the ads on this page indicate, is almost ready to stage its grand opening, tentatively scheduled for September.

The center features a complete line of products, from the Market Basket's wide variety of groceries to the exclusive stylings for women by Virginia Sayles.

The optometrist in the center is Dr. Jack J. Rosen, a graduate of Los Angeles City College and Los Angeles College of Optometry. Dr. Rosen spent two years in the Army

at the Fitzsimmons Army Hospital.

Bruno's Men's Shop opened approximately two months ago. The store, owned by Ernest and Frank Bruno, features custom tailored suits. The Brunos formerly operated a custom tailoring shop in San Marino.

HASTINGS HARDWARE & Paint Store is one of the newest shops to open in the center. It is owned by Bill Wellman, who formerly operated Bill's Fixit Shop on Quigley and Foothill, Pasadena.

Taylor's Sausage Shop, also a newcomer, specializes in its own brand of sausage and bacon. The meat market, owned by Fred Fay, also features aged beef and all types of cold meats.

Mr. Fay owns other stores in Redondo Beach, Brentwood, Pasadena, Los Angeles, Hillsdale, San Francisco and Oakland. His was one of the first stores opened in the famed Farmer's Market in Los Angeles.

The Landramatic, operated by Cecil Harmon, who lives at 490 Michillinda, Sierra Madre, opened March 27. All washing machinery in the Landramatic is stainless steel and is specially designed to remove dirt from clothing with a minimum of wear.

THE CENTER also includes a barber shop (John's Barber Shop), staffed by expert barbers who have been trained to serve both men and women.

Hastings Liquor, owned and operated by Mr. and Mrs. Ralph Cantisano, has a complete line of beer, wines, liquors and cordials.

Ralph's Variety Store, one of the larger shops in the center, is owned by Ralph Liebowitz, who owns eight other similar stores in Southern California. The Foothill-

Rosemead branch is managed by Jack Tracy.

Gregory's Shoes, owned and operated by G. W. Gutstein, is a complete family shoe store. Mr. Gutstein, who has been in the shoe business 23 years, opened last Feb. 16.

Just recently opened in the center is a new branch of the Security First National Bank. The local manager is Eugene W. Wiegel.

The center also includes a drug store, bakery, and candy shop.

Baha'is Here Meet With Faith Official

Mrs. Amelia E. Collins of Haifa, Israel, vice president of the first International Baha'i Council, met with the Baha'is of Sierra Madre last Thursday evening at the home of Mr. and Mrs. Joseph McCormack, 823 Canyon Crest Dr.

Mrs. Collins was appointed to the International Baha'i Council at the time of its formation in January, 1951, and has served as vice president ever since then. She returned from Haifa to the United States by air a little over a month ago and has been visiting Baha'i schools and centers throughout this country.

In her talk here, she described recent developments in Haifa, world center of the Baha'i Faith, including the completion of the Shrine of the Bab on Mount Carmel. She also reported that work is nearing completion on the Baha'i International Archives Building, also located on Mount Carmel.

Lamplighters Hold Luau For 35 at the Jasper Pool

On July 28, from late afternoon until 10:15 p.m., the Lamplighters of the Sierra Madre Methodist Church plunged and luaued in and around the pool at the home of Lily and Lane Jasper, 1919 Wilson Ave., Arcadia.

A regular Hawaiian supper of spare ribs, sweet potatoes and tropical fruits was eaten by 35 guests and members, seated on grass mats around rattan tables strewn with hibiscus and gardenias flown here from Hawaii.

Each person was given a lei upon arrival and after the plunge two small floating gardens, lighted by candles, decorated the center of the pool. Hawaiian songs were played on the guitar by Doyle Wilson, a guest from Holliston Church, followed by group singing.

Leonore Roos, Katherine Kirk, Earlene and Cullen Weems, Jane Wolfe, George Matthews, George Robbins and Lane Jasper, dressed in hula skirts, entertained in real Hawaiian fashion. Ralph Roos presented a film on the group of islands.

Guests and prospective members were: Isabel and Paul Bryan, Rose and Andy Westhafer, Dorothy and "Mitch" Mitchell, Dorothy and Charles Tuttle, Mary Alice and Oliver Accountius, Charlotte and Fred Brereton, Oma Belle and Doyle Wilson and the photographer, Bill Bell, and wife Elin.

Sierra Partners Get Together at Outdoor Dinner

Members and friends of Sierra Partners, couples group of the Sierra Madre Methodist Church, recently met at the home of Mr. and Mrs. William Heller for a charcoal broiled steak dinner.

Assisting the Hellers were Mr. and Mrs. Lawrence Bevington.

The president, John Heer, had a short meeting. Mr. and Mrs. Bevington were elected secretary-treasurer, to fill the vacancy left by the Richard Spreens, who are moving to the East. Jess Albright was appointed membership chairman.

Following the dinner and meeting, the group joined in games and a sing.

The next meeting of the group will be a beach party at Huntington Beach, section 3, on Aug. 5 at 3 p.m. Coffee and lemonade will be furnished and reservations may be made by calling Helen Fletcher, ELgin 5-0404.

Lutherans To See Film This Sunday

"And when he was come near, he beheld the city, and wept over it."

These words of St. Luke's gospel have been chosen by Rev. A. Hesse for his Sunday morning sermon in Faith Lutheran Chapel, 835 Hastings Ranch Drive.

At 9:15 on Sunday morning, the Sunday School will present the 27-minute color-sound film, "Another Door Is Opened," depicting the work of the Lutheran Church in New Guinea.

Of special interest concerning the church's work in New Guinea is the recent erection of a hospital plant, costing more than \$50,000. Much of the actual construction labor was supplied by seven young laymen of the Lutheran Church who are giving two years of their life to the Lord as Mission Builders. These men, says the pastor, are also serving as teachers and as examples to the natives of what Christ can do in the lives of those who believe in Him. They receive no financial remuneration for their services.

At 5 o'clock on Sunday afternoon, the members of the Youth League of Faith Church will enjoy a swimming party at the home of Mr. and Mrs. J. Ottosen, 1642 Oakwood, Arcadia. The League comprises young people of ages 14 to 18. The recreational event will be preceded by a short meeting at the chapel. All young people of the parish have been invited.

SUNDAY SERMON

"Acquiring a Workable Faith" will be the subject of the Sunday sermon at 11 a.m. by Dr. Ethel Barnhart at the Santa Anita Church of Religious Science, 778 S. Rosemead Blvd., Pasadena.

The Largest Coast Redwood?

The largest tree in the U.S., other than the Sierra Redwood (Sequoia gigantea), is certainly its cousin—the Coast Redwood (Sequoia sempervirens).

There are so many giant Coast Redwoods to be found in Humboldt and Del Norte Counties that it is almost impossible to select any one tree as the largest.

The American Forestry Association has named a tree growing in Big Tree Park, in Del Norte County, as the largest known. This tree has a girth, 6' above the ground, of almost 66' and is 300' tall.

The "Big Tree" of Bull Creek Flat State Park, in Humboldt County, with a base circumference of 72' and a height of 345', seems a likely contender for the Coast Redwood crown.

Trinity Clubs Enjoy Parties

Both the Schooner and Clipper Clubs of the Trinity Presbyterian Church at 3740 E. Sierra Madre Blvd. have recently held summer social events.

The Schooner Club just held a swimming-steak barbecue party at the home of the Meredith Huntingtons, 925 W. Foothill Blvd., Arcadia.

The Clipper Club recently set sail with an evening of dancing preceded by a box supper at which the gentleman bidding on the supper also gained as his dinner partner the lady who prepared it.

The Lee Campbells, 1101 Coronet Ave., supplied the home for the evening.

On the Trails

By Bill Wark

It is a real pleasure to welcome Johnny Grippi back into our crew. Johnny is that pleasant fellow you see working on the streets for the city.

Johnny is an expert trapper of these hills and used to bring his catches home alive, putting them in suitable cages he had constructed in his back yard. In fact, his back yard became a small zoo where people used to take their friends to howl them some of the animals caught in our mountains.

Johnny had everything from pack rats, foxes, coons and skunks to a tough-looking bobcat—also a variety of birds, hawks, crows, blue jays and owls. The children loved to visit Johnny and see the display.

Johnny also had the highly specialized talent of being able to make skunks socially acceptable, which he often did so people could have them for pets.

Like most of the Search and Rescue Crew, Johnny was reared in Sierra Madre and developed a great love for the mountains, and an interest in helping people in distress. Johnny is an expert tracker, and it is good to know that if a child or adult is lost or injured in these rough mountains, Johnny Grippi will be there, following their trail.

THE LONGEST, highest, grandest and most beautiful mountain range in the United States is the High Sierra, John Muir's "Range of Light." Associated with the High Sierra and considered a part of this range are the San Gabriels. Present views associate our San Gabriel, the San Bernardino and San Jacinto with the Sierra Nevada, and the Santa Monica and Santa Ana mountains with the Coast Range.

Incidentally, San Jacinto, the southern end of the Sierra (by Palm Springs) is reputed to be the steepest mountain for its height (10,805 feet) on the continent. A climb of over 10,000 feet straight up from the desert floor—perhaps the highest stone wall in the world.

THERE IS no doubt that the unofficial trail race record was set when Maggie Ascher (Liberace of the typewriter) and son Charlie ran into a bear 3½ miles up on the Mount Wilson trail, and the race was on—Maggie ahead by one length, then Charlie ahead by two lengths, then Maggie streaking down the trail to take the lead by three lengths. Wonder if the people on Mountain Trail ever found out what those two blurs were that went by a couple of years ago.

Deflation

At an 8-year-old's birthday party, the adults rushed around frantically keeping the party going—organizing games, treasure hunts and races. In the midst of the confusion, one little boy asked: "When this is all over, can we play?" (From Reader's Digest.)

Garden Clubs Make Plans For Area Meeting in Fall

Representatives from seven southern districts met recently in the Escondido home of Mrs. C. C. Henry, president of California Garden Clubs Inc., to discuss plans for an area meeting slated for Nov. 15, following the second quarterly board meeting of the group.

Workshops, educational exhibits and outstanding programs will feature this one-day miniature convention type meeting. Mrs. R. O. Young of Hermosa Beach, director of District 2A, will be general chairman.

"We Grow as We Give" has been selected as this year's theme. This applies not only to individuals but to the services which are offered to club members by the 28 state chairmen.

Mrs. Henry and Mrs. George W. Irving, who recently returned from Salt Lake City where they attended the convention of National Council

of State Garden Clubs, gave accounts of the national meeting.

Other discussions at the Escondido meeting centered around the establishment of district awards, fund-raising projects and suggestions for interesting club meetings.

The first quarterly board meeting of California Garden Clubs Inc. is scheduled for September at the time of the State Fair in Sacramento, where garden club members will be honored on California Garden Club Day.

Retribution is a vigilant watchdog on the highway of life—but people still try to outsmart the guard.

VILLA
VIEWSBy Toni Maurin
SYcamore 7-9634

I am one of those fix-it-yourself fiends. Plumbing, electrical appliances, mechanical problems, broken glass and almost anything you can name that is not working represents a challenge to me. Now, I do not tackle these chores with the idea of saving money.

Oh, no, it is because I just can't leave them alone. I fully mean to call a service man and sit down leisurely while he battles it out with all of the broken parts, but I just can't, I have to give it the old college try. You may think, how wonderful to be able to fix things, but honestly, after spending the morning on my back putting my washing machine back together I have decided that my one big talent is a curse.

I have begun to expect myself to do these things now, and you can see that something like that could creep up on you. I am going to try from now on to be helpless about tools. I think???

THE W. H. DUNNINGS of 3323 Barhite returned last week from a two-week vacation with their family up Berkeley way. They spent the time visiting friends and taking the children on side trips. They returned in time to entertain the Southern California Alumni of Bowdoin College and their wives at a swimming and potluck supper party.

MR. DON C. JAXTHEIMER of 1440 Old House Road, with the help of his wife, entertained 26 men of the Coultron Club at a spaghetti dinner last week. Laurence Cavalier, of Sierra Madre, provided music with his accordion and the men enjoyed a songfest after dinner.

MR. AND MRS. EUGENE R. KOCH and their two sons, Craig and Ken, of 1225 Wynn Road returned last week from a three-week trip up in Canada. They spent some time at Vancouver Islands salmon fishing and toured through Lake Louise and Banff.

THE GEORGE AMTHORS of 3306 Barhite entertained the Little League group sponsored by Orin Fox on the eve of their last game last week as well as their parents and families. There were 60 guests to enjoy swimming and a potluck supper.

GWEN AND SANDY RIPLEE of 1575 Old House Road spent the past weekend visiting friends up Arrowhead way. Gwen is in the midst of making plans for her wedding Sept. 2.

MRS. ROSS LOCKHART and her daughter, Linda, formerly of North Villa Heights Road, have been visiting around in the area. They moved some time ago to a ranch in Arizona.

THE HAROLD ZOOKS, R. L. Foxes, Jack Griffiths and Paul Siecherts, all of Mesita Road, spent the weekend before last at Laguna Beach.

MR. AND MRS. E. MARSHALL Harris and their children, Susan and Lee, returned last week from an extended tour of the northern states. They went up to Seattle and visited friends, toured around the Olympic Peninsula and through the Rain Forest and back home via the inland route. Mrs. Harris says she'll take Southern California and its smog in preference to the cold and damp that they experienced on their trip.

DR. AND MRS. NORMAN McBride of 3414 Vosburg gave a barbecue and swimming party last Saturday night to honor Mrs. McBride's sister, Miss Jessie Kirkland, who is visiting them from Washington, D.C. Among the guests were Mr. and Mrs. Don Cutter, Mr. and Mrs. Harold Balifar, Dr. and Mrs. Mike Simmers, Mr. and Mrs. Charles Holloper, Dr. and Mrs. Robert Pudenz and Mr. and Mrs. Hugh Gilbride.

HERE ARE THE AREA 1 CHAMPS of the Little League. This Hastings Ranch All-Star aggregation won the area crown last week after defeating the Santa Anita All-Stars, Pasadena National and Arcadia American on successive days. From left, kneeling, are Norman Kremiller, Sterling Peacock, Leonard Read, Dick Whited, Bill Carr and John Wal-

lace. Standing are John DuBois, coach; Ed Buckle, Dennis Walberger, Jack McGraw, Steve Saurenman, Bret Horn, Alfred Alvarez, Bud Winterbottom, manager; Bill Taylor and Gary Nousekjian. The Hastings team next meets the Area 3 champions, with the winners vying for the sectional title Saturday. (See story in columns 8 and 9.)

Members of the Freelancers of Trinity Presbyterian Church are ready for their long-planned trip to the Danish Festival in Solvang on Aug. 11.

The group held no meeting in July, but expects to get up plenty early the morning of Aug. 11 and to be in Solvang in time for breakfast.

Morris are
Newport Visitors

Home from two weeks' vacation at Newport Beach are Mr. and Mrs. John Morris, Judy and Johnny, Canfield Road residents.

Mrs. Morris and the children headed immediately for Salt Lake City for a fortnight's visit with her parents, leaving Mr. Morris to fend for himself for a couple of weeks.

PROPERTY TAXES UP

Taxes on property in Los Angeles County averaged \$92.06 per person for 1955-56, up 6.1 per cent from the \$86.80 per person property tax bill for the preceding year, 1954-55, California Taxpayers' Association said yesterday.

Hastings Teen Times

By David Brearley

Things have been happening here at home while we have been away on our vacation. For instance, Bill Rittenhouse and his family motored up to Lake Arrowhead, where they have been having a great time at Edgewater Beach. Bill says he is trying like mad to learn to water ski on the lake.

P.S. The swimming is wonderful, and the evenings under the big pine trees are out of this world.

KATHRYN GRIFFITH tells us that she had a lot of fun at Disneyland a few days ago. She says she can't remember when she had such a good time. We agree with Kathryn. Those little autos you drive yourself, and the boat ride through the jungle were among the high spots to us.

Craig Lockard and his family spent some time at the beach and all have a healthy tan to prove it. Swimming and racing up and down the beach nearly wore Craig out.

Dana and Beryl Fricke joined Enid Elliot and a group of Camp Fire Girls for a vacation at Seven Oaks high up in the San Bernardino Mountains. They tell us they had a wonderful time taking hayrides and enjoying all kinds of mountain sports at this beautiful camp.

BRUCE PITMAN, who goes to San Marino High School next year, had a real thrill when he flew, all by himself, up to Washington to spend some time with his brother, George. That trip did something for Bruce—he acts quite grown-up now—like he is a world traveler, I think.

Linda Lockhart invited Kathryn Griffith to be her guest for a week at Lido Isle. Swimming and water sports kept them real busy they say.

And so the summer goes—everyone having a good time except our poor old Dads who have had their vacation and now have to go back to work. They moan and groan because their vacation can't last for three months like us kids.

Did you hear the one about the noted explorer who, while being pestered by a guest at a party, was asked, "Is it true that the beasts of the jungle will not harm you if you carry a torch?" "It all depends," the explorer replied, "on how fast you can carry it. Good-bye now."

POLLUTION CONTROLS

The number of court cases filed for air pollution control law violations during the fiscal year just ended was virtually double the number filed in the preceding year, Control Officer Smith Griswold announced yesterday. The percentage of defendants acquitted was reduced from 2.5 to 2.4 per cent in the past year.

ELgin 5-1903

Bonnie Buckle and Mary Lee Petersen have been doing volunteer work at the Huntington Memorial Hospital. Since the end of school they have been going once or twice a week to help the nurses, and plan to continue the work throughout the school year.

MEREDITH AND CLIFF Mitchell left Friday for Idaho. They plan to do lots of boating, fishing, swimming and have a beautiful new pair of water skis! Hit it! Their place of residence will be a tent, so let's hope they will have good weather for the three weeks they will be gone.

JACK GREGORY and his family have spent part of July at Newport Beach. Many friends have visited them. Our family was invited down for a day and night. It was lots of fun.

SUSIE ADAMS and Judy Jennings were in a water ballet duet at Brookside Park. Susie wrote the routine to the music of "Poor People of Paris." Their costumes were black bathing suits to which were attached short white nylon net ballerina skirts trimmed with sequins. Sounds really cute.

MARILYN MACLEOD and Judy Jennings just completed their Red Cross Junior Life Saving course at Pasadena City College. That's a real accomplishment.

GRETCHEN SHULZ and her family are looking forward to a nice cool vacation at Newport Beach. They will leave this Friday.

FRIDAY, JULY 27, was a happy day for those who were attending summer school. For them, summer vacation has just begun. They will have six weeks of vacation uninterrupted by studies.

Eighth Birthday
For Jimmy Edwards

Jimmy Edwards, son of Mr. and Mrs. Frank Edwards, 1070 Pine Bluff, was host at a swimming party at the Pasadena Swim Club to celebrate his eighth birthday.

Swimming and games were enjoyed at the club and after adjourning to the Edwards' home, refreshments and more games were enjoyed by the guests.

Among those in attendance were Ricky Schneider, Steve Clark, Danny Hamilton, Ted Johnson, Curt Robinson, Chip Shiner, Tracey Trent, Jerry Blackman and Ben Rode.

Mrs. Edwards was assisted by Vicki Wilson.

NEW YORK VISIT

Mrs. Herbert Gale, 1200 Leonard, and her son, Richard, have returned from a six-week visit with her parents in New York City.

J. D. Murphys
Visit Family

The James D. Murphy's, 1180 Leonard, and their children, Marion, Maureen and David, spent a nice holiday in Philadelphia, Pa., with Mrs. Murphy's parents, Mr. and Mrs. C. W. Pascoe, and in Boston, Mass., with Mr. Murphy's parents, the James P. Murphys.

Marion and Maureen stayed on with their grandparents in Philadelphia and will remain there until the Murphys sell their home in the Ranch and take up residency in New York around the first of September.

M. M. Honowitzes
Enjoy Holiday

Mr. and Mrs. Milton M. Honowitz, 1435 Tropical, and their sons, Melvin and Barry, enjoyed a three-week visit in the East.

Part of their time was spent with Mrs. Honowitz's parents, Mr. and Mrs. Hyman Bragin, in Margate, near Atlantic City, N.J.

They also were in Philadelphia, Pa., visiting Mrs. Honowitz's sister, Mrs. Sam Davis.

Smiths Home
From Tahoe Trip

The Martin Smiths are back at their home on Shadow Grove after a vacation that began immediately after school was out in June.

With the family boat in tow, the water skis and other necessary camping equipment, the family headed for two weeks at Lake Tahoe. But they finally stayed a month and then returned just in time for Mrs. Smith to pay a short visit to Mrs. E. S. Gregory, vacationing at the beach.

Fire Inspectors
Are Inspected

Pasadena Fire Department and the City of Pasadena sent a big red truck and a couple of firemen around last week to inspect Hastings Ranch back yards for possible fire hazards.

It turned out to be a tour of inspection, okay, but it worked two ways. For every bit of routine looking the firemen did, the Ranch's hundreds of children did twice as much inspecting of the firemen and their shiny truck loaded with gadgets.

Alfredos Visit
Lake Arrowhead

The Anthony Alfredos and daughters, Kathy and Lynn, are home after a week's vacation at Lake Arrowhead. A guest during the trip was Sharon Nousekjian, a classmate of Kathy's.

Ranchettes . .

A son, John Charlton, was born to Mr. and Mrs. James C. Wentz, 969 Pepperhill Rd., July 13 at St. Luke Hospital, weighing 9 pounds, 11½ ounces. The maternal grandparents are Mr. and Mrs. James Hagan of New York and Florida. The paternal grandparents are Mr. and Mrs. James Wentz of Freeport, N.Y. The other Wentz children are Jan Allison, 5½, and Jay, 3½.

Sierra-Hastings
Camp Fire Log

New Camp Fire Girls from Eugene Field School are happily studying their Camp Fire book and working for beads with which to adorn their jackets, and for their first rank as Trail Seeker.

Jeanne Jennings entertained a group of girls at her Shadow Grove Road home last week for an "overnight" in sleeping bags on the rear lawn, and "cooking out" both supper and breakfast. The girls also squeezed in some parcheesi games and a good pillow fight.

Enjoying the fun were Diane Hitchcock, Karen Sue Cummins, Gay Morissette, Karen Buttane, Ann Lubisch, Susan Hurtig, Barbara Shanks and Marilyn Lee.

Ricky Schneider
Feted at Party

The Pasadena Swim Club was the scene of the barbecue and swimming party which marked the eighth birthday anniversary of Ricky Schneider, son of Mr. and Mrs. Donald B. Schneider, 1415 Hastings Ranch Rd.

Taking part in the afternoon's fun were Chip Shiner, Jimmy Edwards, Billy Walton, Stephen David, Bob Carley and Bobby Fisher.

Hastings Woman is Elected
By Stanford Woman's ClubNumbers to Call
For Ranch News

Those having news of the Hastings Ranch are asked to call Lucie Lubisch at ELgin 5-1921, for the Lower Ranch, and Marge Thomas at SYcamore 3-2743, for the Upper Ranch.

Queries on
Nursery Go
To Secretary

Inquiries concerning the Hastings Ranch Nursery School and enrollment for September should be directed to the school's secretary, Mrs. Darrel Tobias, at ELgin 5-7358.

The school has a paid secretary during the school term, but the board of director's secretary takes over during the summer months.

The school will open Sept. 17, one week after public school opens, to make it easier on mothers who have more than one small child to enroll in school.

Mrs. Lois Barnard will continue as director of the Hastings School, now in its fourth year. She will be assisted by two teachers, since the nursery this year will be divided into two classes. Children may be enrolled for Monday-Wednesday-Friday or Tuesday-Thursday sessions, each lasting from 9 to 11:45 a.m.

Mrs. Auger Fetes
Ranch Visitors
Of Neighbors

Two visitors to Hastings Ranch were honored at a neighborhood party the other afternoon by Mrs. Edwin Auger, 3815 Canfield.

The visitors, who by now are on their way to homes widely separated on the globe, were Mrs. Joseph E. Walsh, San Antonio, mother of Mrs. Robert Natzel, 3765 Canfield, and Mrs. Thomas Howarth, mother of Frank S. Howarth, 3805 Canfield, of Australia.

Mrs. Walsh renewed acquaintance with Canfield neighbors whom she had met last year during a visit. Mr. and Mrs. Howarth, on their first trip to the United States, have been visiting here and in the East for several months.

Circus Party
Marks Birthday
Of Char Maass

The Charles F. Maass home, 1185 Tropical, took on the air of the "big top" recently when their daughter, Char, celebrated her fourth birthday anniversary at a Circus Party.

Balloons, popcorn balls, clowns and a lovely circus birthday cake added much to the day's festivities.

Those guests in attendance were Robyn Fainer, Joan Donald, Jimmy Shiner, Billy Follmer, Lark Weger and Kathy, and Tim Frakas.

Mrs. David H. Bierhorst, 1190 Medford, was recently elected president of the junior division of the Stanford Women's Club of Pasadena. Mrs. Robert W. Reed Jr., 1350 Tropical, was elected vice president.

Mrs. Merle S. Templeton was re-elected president of the senior division and will be assisted by Mrs. Charles M. Woodward, vice president; Mrs. H. E. LeGrand, secretary, and Mrs. Byron Knapp, treasurer.

Others on Mrs. Bierhorst's board besides Mrs. Reed are Mrs. Elias W. Smith, corresponding secretary; Mrs. Jack R. Supple, recording secretary, and Mrs. Hamilton De Jong, treasurer.

Mrs. John L. Church will serve as membership chairman and Mrs. Fred P. Lyte and Mrs. James Crowell will be co-chairmen for the group's annual Christmas benefit.

The benefit workshop will be under the direction of Mrs. Charles McClung and Mrs. J. Lester Hames. Virginia Lewis is bridge chairman and the publicity will be handled by Mrs. Colin R. MacKay.

The Stanford Women's Club of Pasadena is composed of alumnae of the northern university living in the Pasadena area. The purpose of the two divisions is to establish a scholarship to Stanford University for a girl from this area.

Both boards will be meeting all summer to make plans for their jointly-sponsored Welcoming Tea, an annual event which honors new Stanford freshmen, and is held in September.

The junior division is also planning a membership party in September to interest more Stanford graduates in the group.

Both groups are working on the Christmas benefit, which is held early in December. Called "Holiday Surprises," it features a sale of last-minute Christmas gifts and holiday decorations.

Those included in the festivities were Douglas Chinn, Edward Lieber, Larry Goldsmith, David and Michael Marco, Shelley and Jeff Resnick, David Fair and Melvin and Barry Honowitz.

Hastings All-Stars to Play
Area Three Champs Friday

Hastings Ranch Little League's Area 1 champion All-Stars resume competition in the sectional tournament at Victory Park Friday evening at 5 o'clock.

Hastings meets the Area 3 champions, with the winner playing for the sectional title Saturday afternoon at 2 o'clock against the winner of the Area 2 and 4 game being played tonight.

To the delight and amazement of the large segment of the Ranch population present at the Arcadia Little League Park, our boys beat the Santa Anita All-Stars, 4-3; Pasadena National, 13-4, and Arcadia American, 1-0, on successive days to claim the area crown.

John Wallace fashioned a neat 5-hitter while striking out 10 to hold the Santa Anita All-Stars in check. All Santa Anita runs came on homers in the first two innings.

A DOUBLE by Alvarez, singles by Kremiller and Peacock, a walk to Wallace and an error on the pitcher gave the Hastings team a 3-run lead right off the bat. Sharpes' home run with a mate aboard got the Santa Anita boys right back in the game in their half of the first and Vaccaro tied it up with a roundtripper in the second.

Hastings' All-Stars loaded the bases with a hit, walk and hit batter in the top of the third and Dick Whited drew a walk to force in what turned out to be the winning run.

Against Pasadena National, our boys grabbed a 5-0 lead in the first two innings, highlighted by Steve Saurenman's 2-run homer over the left field wall and Sterling Peacock's bases loaded double. Pasadena scored three in the third and one in the fifth to tighten things a bit before the dam broke. In the bottom half of the fifth Hastings banged over 8 big runs to ice the game on Peacock's bases loaded homer and Steve Saurenman's two singles in the same inning.

STERLING PEACOCK was in command at all times, allowing five hits and striking out nine batters. Alvarez, (Continued on Page 4)

Sara A. Webster, South African Native, Dies at 88

Sara Anne Webster, 88, of 312 Foothill Ave., Sierra Madre, died July 28 in a Duarte rest home. She was a native of Kimberly, South Africa, and had been a resident of Sierra Madre the past five years.

She is survived by a daughter, Mrs. May MacGregor, with whom she made her home, and another daughter, Mrs. Vera Knapp, Huntsville, Ontario, Canada, and two grandsons, Harry J. MacGregor, Sierra Madre, and Norman MacGregor, San Francisco.

Funeral services were held Wednesday in the Ripple Mortuary Chapel, with Rev. John Quincy Martin officiating. Committal in the Pasadena Mausoleum was private.

FIRE FLAMES

By James Heasley

It may be difficult for some to understand why accumulations of trim and dry weeds must be removed from the premises.

There is so much written about the "smog" situation, it behooves us to do everything within our ability to aid in removing some of the smoke from the air.

It may be the opinion of many of us that the eye irritation is not from the burning of trim and weeds, but the chemists tell us that it is. Therefore, we are forbidden to do any unnecessary open burning.

If piles of dry trim and dry weeds are left, they become a terrific fire hazard. Fires are the firemen's responsibility, so if your yard has not been cleared of dry weeds, or piles of dry trim, etc., you are expected to clear it NOW.

After all, the stuff must be hauled away. Whether we approve of the smog rules or not, we can't wait for an unnecessary fire to get started with a possibility of burning up valuable property or causing death.

THE FIREMEN hear many compliments and get much encouragement. That does not mean that to arise from bed to fight fire is exactly fun. The serious desire to protect life and property urges the men to serve. It is so much better to prevent fires and avoid all this hard work.

A PROGRESSIVE party given a while ago by the wives of the firemen was routed via Ed Decker's to Bob Thomas' to the home of the Gutierrez along W. Sierra Madre Blvd. The gathering at Decker's was a fine start to enjoy the hamburgers barbequed at the Thomas swimming pool edge.

Here it was evident that even the most delicate could stretch the mouth to absorb double delecters. Sweet onions failed to keep the crowd apart.

MERCER DUFF accompanied the Chief to a meeting. Duff fell asleep.

"Wake him up!" called the speaker to the Chief.

"Wake him up yourself—you put him to sleep."

PRISONER: "Judge, I don't know what to do."

Judge: "Why, how's that?"

Prisoner: "I swore to tell the truth, but every time I try, some lawyer objects."

We have no statistics to show how many times in a year people jump out of bed to answer a telephone ringing in another part of the house. The figure must be enormous and the wear and tear on human nerves considerable.

Stop getting up to answer the telephone. Install an instrument at your bedside and when the bell rings just pick it up. And when you want to make a call while lazing in bed, there's the phone at your elbow.

Drop in at our business office and see how easy and inexpensive it is to have a convenient, energy-saving telephone system.

FORD goes first!

For the sheer fun of driving

Thunderbird power
opens a whole new world
of driving pleasure...
makes Ford the
best-selling "8" of all!

Ahead of you the highway unwinds like a carelessly coiled rope. Time was when you would have shunned this road—but not now. For firmly under you is a car designed to take roads like this in easy stride. Beneath that gleaming Ford hood, 225 eager horses await your orders. Nudge the gas pedal. Gently now... look! That truck that was ahead of us is now safely behind. See that flat "S" curve ahead? With Ford's low center of gravity and ball-joint front suspension, we'll follow its twisting turns in sure-footed safety. There, we're through it, and it was fun!

Beyond any doubt this '56 Ford will recapture for you the adventure of driving. Behind its giant Thunderbird engine, roads that once were an irksome chore become a joy. And suddenly... driving is full of fun again!

Where a Ford V-8 is concerned, only driving is believing. And the keys to a Ford are waiting for you now at your Ford Dealer's. Get behind the wheel of this great road car. Put it through its paces on any highway or byway. When you return we think you'll agree that—Ford, indeed, goes first.

Ford goes first... in performance **... in safety** **... in economy**

NOW! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it* **TRY ONE TODAY!** *Based on a comparison of suggested list prices

overthrow struck the Santa Anita coach which would make it a dead ball and entitle the runner to second base but that's not the way the ump's saw it. . . Len Reed's catch of a high foul into the sun behind first base against the Arcadia American first baseman was the fielding gem of the tournament. . . Bill Hogoboom, Ranch official scorer, has been submitted to some pretty heavy questioning by Ranch fans. . . you see, Bill also checks and approves the opponents' birth certificates and the Ranch fans claim Bill must have mistaken 21

for 12 because no 12-year-old boy could be as big as some of those Arcadians and Pasadenaans. . . Sterling Peacock struck out all three batters in the sixth inning to secure the win over Pasadena National. . . in addition to pitching, John Wallace was the busiest fielder for our boys against Santa Anita. . . he threw out four men on hits back to the box. . . leading batters for the Ranch team in the tournament were Al Alvarez and Norm Kremiller with five hits each and Sterling Peacock and Steve Saurenman with four.
